“ I had the pleasure to have worked both with, and for Ernie at the phone company before and after divestiture. The thing that I remember (and appreciated) most is that you always knew where you stood with him. Our condolences to all the family. Rusty & Becky Beier

“ I worked for Ernie for a short few months back in the 70's with C&P Telephone at the time, and enjoyed the time spent with him. My wife and I retired from Verizon just over 2 years ago, and moved to Murrells Inlet, S.C. but had no idea that he had lived here. I am sorry to hear of his passing, and even more sorry to know that we missed the opportunity to see him before he passed. We send our condolences to Stacy, and the rest of his family .
