“ *Essie has always been special to my whole family and even after I left my job as Activities Director years ago- we came back to visit often. Even bedridden she wanted to see pix of the kids and hear what I was doing. I have fond memories of she and I racing in wheel chairs after I had a leg injury. She reminded me I had to be equal -- one hand too. All the delicious cakes you sent and she always wanted to share. I have many wonderful pix of her -I would love to pass on to you if you want. Let me know. You are in my heart, thoughts and prayers. God hold you close and remember she is "running" now on heaven's far side!! Judy Swanson##imported-begin##Judy Swanson##imported-end##*
