My Grandmother was a beautiful person and lived an equally beautiful life. She was a constant presence and never missed a birthday, graduation or special event. When we were younger, she would drive up from Yonkers every Sunday to see her daughters and her grandchildren. She loved her family and friends. She loved to laugh and have a great time. She was always the light at any party-rest in peace Grandma Chippy. We will miss you.

“ My hearts is heavy with grief. Prayers for the family during this difficult time. I've known Ms Ethel for the past 3-4 yrs. She and her caregiver, Donna, came into a restaurant I managed at least 3 times a week for breakfast. No matter how long the wait was, Ms Ethel was next to be seated. She was our Queen. I always looked forward to seeing her sweet face. She brought a smile and happiness to many a stressful morning. After retiring, I continued to keep in touch thru Donna. I actually went to visit her Sunday morning before going to work. That's when my heart broke. I never got to tell her I'd see her later. She already knew how much she meant to and that I loved her. She was an amazing woman and friend and she will not be forgotten. ❤️
