“ Dear Ann Louise and Bill, So sorry to hear of the loss of your beloved mother who certainly must have lived a wonderful life until the very end. In this day and age to live to 100 is most remarkable and according to Janet she was very active most of that time. Just being able to go to France in her 90's for Christmas would have been remarkable but three times is astonishing to me. I am sure she will be sadly missed. Your whole family is in our thoughts. Sincerely,
Carol and Bob Ashworth##imported-begin##Carol Horine
