“ May it console you to know that I am thinking of you and your family with a prayer, asking God to bless Gene's family with courage to bear the sorrow that now fills your heart. I will remember Gene as a close cousin to Norm whose visits to us in Oregon were always special. We enjoyed his special sense of humor, his easy laughter and his expressions of spirituality. Rest in peace dear Gene.

“ I am so sorry to hear of Genes passing. I remember him as a kind and gentle man, who always had a twinkle in his eye like All the Burshiem boys! I know my father, Norman and Betty always enjoyed his visits. I am sure he is having some laughs upstairs with Dad, Merle and Grandpa Bursheim. Laurie Bursheim Smith Weisberg

“ Hello Irene, I just read about Gene's passing. I send my most sincere condolences to you and your family.
I enjoyed being part of the church family with you both. Dinners, craft club, and lunches at the pancake house after church are a few of my happy memories. God Bless you.

“ Dear Irene and LeAnne,
My sister sent me the Facebook link. I'm so sorry for your loss. Gene always loved to tease me as he kindly gave me rides to campus. And Gene connected Gordy up to working at the U of Mn. Gene every now and then would stop in to say hello when he was in the area. We had a great neighborhood to grow up in. So many memories, sewing groups, boutiques, wedding showers, gardens, playing in our back yards. Our condolences to you and your family. Celebrating with you Gene's life and his reunions in heaven with family and friends. Maybe Gene is reminiscing with my parents. With our prayers and sympathy,
Gordy and Barb (Pechous) Godbout
