“ I read of your loss and want to express my deepest sympathy. It is always hard when losing a loved one because we miss them very much. For that reason, we can be encouraged be reflecting on the promises that God has given us thru his word the Bible, concerning the resurrection hope of seeing our loved ones again. I hope that you find comfort in reading these scriptures. John 5:21, 28, 29, Acts 24:15 and Revelation 21:3, 4. My prayers are with your family.##imported-begin##Karen Cross##imported-end##
