“ Wanda and Brenda, you were so blessed to have your Mom with you so many years. It has been many years since I have seen her but I never forgot her. She was just the nicest person with such a sweet disposition. I will always remember her and your daddy running Blanton’s Grocery at North Conway. I entered those doors many, many days. I bought a lot of Pepsis and candy through the years. I remember going to your home on Main St. many days. My uncle, H. B. Lewis rented your upstairs apartment when he worked for Nu-way Laundry at the beach. He asked me about you girls and Mrs. Blanton back in October. He said he always thought the world of all of you and each one of you and y’all always treated him so nice. He remember helping the older girls with some of their homework. What you do for and how you treat other people is never forgotten, your beautiful mother was one of these. I am definitely praying for you as you face the days ahead
