“ Dear Danny, Pam, and Randy, I just learned of your mother's death when I received my Horry Independent newspaper. I am so sorry for your loss. Your mother was such a sweet, kind and generous lady. She always treated me so well and it was always so obvious how much she loved her children. She always handled life's difficulties such as the loss of the home to fire and your dad's terrible auto accident with such strength and grace. I had great admiration for her. I haven't seen her or any of you in decades , but remember with fondness the times I shared with you family. Your mother always welcomed me and treated me so well. You all will be in my thoughts and prayers during this difficult time.##imported-begin##Paula Vaught Adams##imported-end##
