“ I would have to say that Ray was one of the most wonderful people I have ever met. Im honored to have known him. When I played softball at The Conway Recreation Complex, he helped coach my team. After softball was over I was still honored to be able to see him. Julian and my little brother played baseball together. Ray was a great man. He was always willing to offer a smile and hug. I will never forget him. He is missed but I just cant wait to be able to see him again and talk about baseball like we always did.##imported-begin##Tiffany Edwards##imported-end##

“ Our thoughts and prayers are with you. Ray was a kind and caring man. We initially met Ray when he helped coach the Bojangles softball team at the Conway Recreation Dept. a few years back. His daughter, Erica and my daughter, Tiffany played on the team together. He was always willing to listen and lend a helping hand. Luckily, through the years, we were able to remain in contact. His son, Julian and my son, Derrick played baseball together for Conway for a couple of years until Julian decided to play in Aynor. Ray always spoke so highly of his wife,Linda and his children. You could tell he loved them all so very much. We last saw Ray a few months back and as always, when he saw Tiffany, he would give her a hug and ask how she was doing, and always letting us know how his family was doing. We never had to ask, he always talked so proudly of them. Ray touched all of our lives in a special way. He will be truly missed.##imported-begin##Marcy Edwards##imported-end##
