“ *Eunice was a dear friend to many of us in our Jensen's community, especially to Luella Grannis, Peggy Myers, and Irene Schaefer. She was always there to chauffeur everyone to and from events in our community. Not only did she lead the exercise classes, she loved playing dominoes, canasta, and mah jongg. I first met Eunice when I began learning to play these games and I loved her bright spirit and giving nature. You will be missed Eunice. You lived you life to the very end and I wish you peace as you rest in your new place.*

“ *Eunice was a dear, sweet friend of my Mom and I and at 91 years old the leader of two exercise classes at Jensen's. She was also a great sport and joined our class in helping me create one of the Gingerbread Boy adventures for a class assignment for my great nephew from Colorado. Rest in peace dear friend, we will all miss you...*

“ We're all going to miss that dear, kind lady. Only wish we had lived closer so we could've visited more often.

*My first memory of her was when I was 7 yrs old. She had saved snow in Tupperware containers in her freezer. This way her sister's kids (from TX) could play with snow. We had the best snowball fight (in July/Aug). That was the kind of thoughtful thing she always did.*

*God now has the cream of the crop...*

*Much love, dear aunt; much love.*

“ We were so blessed to have been able to spend time with Eunice at our son's wedding to Lorraine Hertzog, at a Christmas visit and just last year spending a week near her home in Myrtle Beach, South Carolina. She was a wonderful person and she will be missed. Our condolences to the entire family.
