“ *Your Mother was such a dear friend to me. Our families shared many happy times together at church and away from church. Mrs Eunice always amazed me with her memory and recollection of things from many years back and loved to talk and share the things of life. I remember the last time I talked with her few months ago she mentioned so many memories of her and H.L's life. A wonderful hardworking Christian Lady who dearly loved her family. Rest in Peace my friend. you truly earned your angel wings. Love and prayers for all her Wonderful Family. Betty, Wendell and Philip Carter*

“ *I met Mrs. Eunice almost 4 years ago right after she went to Reflections. I'd just retired from teaching and God impressed it upon my heart to devote my time to visiting and loving seniors as so many had done for my parents. My love and adoration for Mrs. Eunice grew almost immediately. Over the past few years, our friendship and mutual respect blossomed. I loved visiting with her and listening to her amazing stories. If I was sick, she called to check on me or just to see what was going on. My husband, (who often visited her with me on the weekends), frequently said, he was amazed by her sharp mind. She was precious to my heart and I will truly miss the visits and phone calls. I thank God for allowing our paths to intersect. I won't forget her. She made a lasting impression that will forever be etched in my heart. I know there's rejoicing in Heaven and I shall look forward one day to seeing her spunky self again. Prayers for the family.*
