“ *What a precious and humble soul who lived on this earth to grace our paths with her selfless and godly acts of kindness and love! She always saw the glass as half full no matter how difficult things were. She was a hard worker at Conway Medical Center as well as in her home life. I was so fortunate as to know her from so many years ago in both settings and for that I am grateful. My heart reaches out to all of the Shelley family in this significant loss as you attempt to continue with such a void in your lives. May God keep you wrapped in His arms of love so that you may find that peace and comfort known only through Him.*
