“ Words I remember hearing from Aunt Dot..... "I'm hungry aren't you? Let's go get us something to eat." Or "Well come here and let me give you a hug & a kiss before you go. You'll be careful, ya hear?" "I love you and I don't wanna be hearing about anything bad happening to ya." Aunt Dot & Uncle Mid both are greatly missed. With Deepest Sympathy, our love and continued prayers still going for each one in Aunt Dot's family.

“ Dorothy, as I always called her was my cousin whom I grew up being great friends with. We didn't see each other very often as adults but she remained a dear friend. We had many of the same family memories and always had things to talk about. I will miss her.
