“ Well it's been 4 years beautiful...4 years without your beautiful face or voice. Not a day goes by that I don't think of you. Sometimes I sit and wonder what you're doing. If you're watching me down here or not. I pray that you and uncle dub are. I miss you more than words can explain sweet one. I'll be 18 this year...this little baby is growing up. Wish you were here to see it. Hope you're resting heavenly.

“ aunt pearl,  
I still can't get you out of my mind to this day ; you were my bestfriend. Not a day goes by that i don't think of you. But, you were ready for God and you were ready to see uncle dub again. I know you're looking down right now on me shining a path upon my feet. It's hard to say that it's been almost 2 years since you've been gone, it just feels like it gets harder everyday. I wish you were here so i can tell you about everything that's happened to me. Daddy doesn't care about us anymore so that's been hard on me too. I've gotten alot bigger too. All those breakfasts' paid off of you making them and putting my feet in a little tub and sitting me at my table and turning on courage the cowardly dog. I remember when you got bad off and you stilll helped tuck me in at night. And you would hold my hand until i fell asleep. I remember staying up late late at night when i would stay with daddy just to make sure you made it through the night. I remember the day of funeral i balled like a baby and cried my eyes. I know you're in a better place but i just wish you could come back and help me through life. 'cause it's been hard. I wish you could read this. I can't wait 'till i get to heaven to see you and uncle dub again. I love you. I love you with all my little heart.  
-your sweetiepiee.

“ We will dearly miss you Aunt Pearl. Words can not describe the love that the girls and I have for you. But I know you are in a better place now and not suffering. I feel sure that Uncle Dub came down from heaven to lead you home. Now you are sitting with God. I would like to say "Thank you God for so many blessed years you gave this family with her". Rest in Peace my beloved "ANGEL".##imported-begin##Candy Norris##imported-end##

“ Aunt Pearl, you've always been there for me ever since I was a little girl, no matter what. I'm sitting here now just reminiscing on all the memories we had together. It seems like only yesterday when you and I were walking on the treadmill that one day. I was just a little girl so I thought it would be funny to crank the knob to the fastest it would go. We both went flying back and I was on top of you laughing so hard I could barely breathe. You were my best friend back then. Gosh I'll miss you so much. But I know you'll be watching down on us from up in heaven with Uncle Dub right beside you. Wait for me at the gates. Love Always, Kortni.##imported-begin##Kortni Stevens##imported-end##
