

Evan Carlsyle Marlowe

September 30, 1934 - January 6, 2021

Evan Carlsyle Marlowe, age 86, passed away Wednesday, January 6, 2021. Born September 30, 1934 in Horry County, he was the son of the late Evan Daniel Marlowe and Alice A. Mills Marlowe. Mr. Marlowe was a veteran of the US Army and was formerly employed by Dilmar Oil Company. He was the owner and operator of Jamestown Grocery and Service Station, Jamestown Nursery, and Jamestown Restaurant. He and his wife, Lou Ellen, were married for 63 years and worked together for 57 years on the same street corner in the Jamestown Community of Conway.

Mr. Marlowe received many community awards such as the Hometown Hero Award, Man of the Year, and many others. He was proud of these awards which recognized his service to the community where he had chosen to build a business for so many years.

Mr. Marlowe was a member of the former East Conway Pentecostal Church, where he served as Sunday school teacher and Deacon. In his final years, he attended church with his daughters at Pleasant Hill Baptist Church and River of Life Church of God. He loved his Lord, people, and you knew he did.

His favorite quote, "Can I ask you a question, do you know Jesus loves you and Carlsyle loves you too?"

A special thanks is extended to the entire family, who is always there for them, his present and past employees of the store, his special friends who sat, ate, and talked with him (couldn't begin to name you all), the Jamestown community for being his home away from home for almost 60 years- he loved

all of you, the patrons of Jamestown Restaurant (formerly Jamestown Grocery and Service Station), his Red Hill community neighbors and East Conway Pentecostal Holiness Church family, Conway Medical Center Medical Floor and Critical Care Unit Staff, and the doctors and nurses who took care of him and those taking care of others. You are all in our prayers for serving on the front line of this crisis.

Along with his parents, Mr. Marlowe was predeceased by his wife, Lou Ellen Holt Marlowe, who was the love of his life; two brothers, Jesse Milford "Pete" Marlowe and Everette Ray Marlowe; and a sister, Alice Faye Thompson. Surviving are two daughters, Karen Ann Hutson and husband, Mack Hutson and Beverly Marlowe; three grandchildren, William Nathan Hutson (Katherine), Timothy Micah Hutson (Loren), and Benjamin Evan Hutson (Lauren); five great-grandchildren, Abigail Lee Hutson, Tyson Micah Hutson, Caroline Beverly Hutson, Evan Grace Hutson, and Caleb Luke Hutson; a brother, Joseph Earl Marlowe (Kristi); brothers-in-law, Rev. Bill Thompson, Spivey M. "Snook" Holt, and James Wilson Holt; an adopted and loved son, David Nesmith; his special fishing buddy, Benjamin Micey Onley; and many cousins, nieces, and nephews.

Graveside services will be held at 11:00 AM Saturday, January 30, 2021 at Hillcrest Cemetery with Rev. Mack Hutson, Rev. Benji Hutson, and Rev. Steven Barfield officiating.

The family will receive friends following the service at the grave.

Due to COVID-19 and CDC regulations, masks and social distancing are required.

The family will greatly appreciate flowers sent in his memory due to his love of flowers.

So sweet! I loved Carlsyle Marlowe. He was a cornerstone in our community. I think of the number of times we ran to the "store" to get a hot dog or hamburger.

He will be truly missed but not soon forgotten. Thank you for sharing him with us!

What a beautiful tribute to a wonderful man. I moved to Edgewood circle behind the store when I was two years old. I knew him and Lou my whole life. I watched the store change over the years from being a garage and store with a full meat department where you could get fresh ground hamburger, steak liver pudding (a favorite of my daddy's). I wish I knew how many miles I rode to and from the store on my bicycle. I was sent by mama to get hamburger for supper or to get that liver pudding my Daddy loved so good. But most of those miles was to get a little brown bag of candy for me when I had a dime or a quarter. BB Bats, Mary Janes, squirrel nuts, were my favorites. Carlsyle and Lou always greeted me by name every single time. Even in the last years when I went to the store for a good ole lunch it was still the same, hello Amy. I will miss him terribly. He was the greatest friend to the whole Jamestown community. Sending love and prayers to his family 🙏❤️

I remember one time being very broke and my car died right down the street from the store. I had no money and was so down. Carlyle went and picked it up and fixed it for free. Truly one of the nicest, Godly men I have EVER known. Heaven truly gained an angel. My love to Beverly and all of the wonderful family he has. Isn't a memory I have of daily life that doesn't have the Marlow family in it. Much love.

Been going to Mr. Carlsyle's place for so many years, but didn't really get to know him until the last few years. It was a privilege to know him and call him a friend. Always had a smile and a handshake whenever I saw him and always told me how he loved to here Wendy sing at church. I will miss seeing his smiling face and that handshake at church. You've served your country, you've served your community, and you've served God as a faithful servant. Rest easy Mr. Carlsyle. You will be greatly missed.

“ My wife and I have only known Carlsyle a few years, but what an impact he has had on my life. We got to know him at Pleasant Hill Baptist Church and immediately became close friends. Knowing that I’m now retired, every time he would see me, he would ask when I would drop by the restaurant so he could buy my lunch and fellowship with him. I felt bad doing that because I received so much more by being with him than he received from me. I would try to sneak into the restaurant, get food, and pay for it before he realized I was there. It hardly ever worked. He would come up to me asking for the receipt before I had a chance to pay. While fellowshiping, he would talk of his wonderful memories of his wife and family and tell me how blessed he was to have their love demonstrated daily. He often mentioned, jokingly, that he didn’t need them fussing over him all the time and that it was hard to have ladies over because one of his kids, or family members, were always there to keep an eye on him. He talked about friends he has had down through the years and share wonderful memories about them. He would speak with great joy in his heart about folks that he led to our Lord right there in the restaurant. What a great love he had for his Lord. When I would leave, he would stand, which took a while because his knees were so painful, and he would always tell me that he loved me and that I was to be pretty and he would always remind me how blessed I was to have a loving wife and a great church family. Now I don’t think I’ve ever been pretty; my wife is but I’ve never been. There may have been a time when I was handsome, but those days are long gone. That being said, we would both laugh when he would say it. I think he would say it just to get my reaction. What a great loving man of God that made my life richer as a result of spending time with him. I’m so looking forward to seeing him again in Heaven. I’m sure I’ll find him walking around telling people that he loves them. Can’t you see him doing that?

“ At a recent visit, I had the chance to talk to Carlsyle about old times. We talked about hot dogs on Saturday (when we worked in our yard), the many times we stopped for gas and the many times we ate lunch there. He was a cornerstone in the Jamestown community and well respected by many. He was one who loved his neighbor and would do anything he could for you. He has greeted my family with that smile for many years and I know he is now smiling as he receives his rewards earned on earth. I am grateful to God for Him allowing us to cross paths during our journey in this life. One day, He will allow us to meet again! May God bless his family and friends with comfort and peace.

In all my life I have never known anyone that worked so hard. He would be at the station at 6:30 AM and worked till 9:30 PM six days a week. He was always helping people. I would venture to say that he gave away as much service work at his station that people had to pay. What a wonderful man he was, we all should try to be the caring man he was. “ Bro Carlsyle was a precious friend of ours and we are truly going to miss him!! One of the fondest memories we have is, him coming to us, in tears, one Sunday morning, and saying that he wanted to grow closer to God!! Wow!! What a blessing to know, that no matter how much you love God and how long you’ve served Him, there’s always room for more of Him!! Carlsyle got a hold of that and never let go!! The other precious memory we have is, he would always tell my husband to be “pretty “ and to me “be good to your husband “! I don’t think Pastor James will ever stop using that phrase! Lol Bro Carlsyle was the best to our son Evan, as well as our grandchildren.... he treated them as his own, and we loved him for that!!

“ *Carlisle was the kindest and most respected man I know. Always ready to help people. A nice fellow. He had so many friends and loved them all. What a great gentleman he was. He was so very good to my Mother whenever she rolled up to his station in her 1977 Chevrolet. She always wanted Carlisle to service her car. It was as if he was waiting just for her. Such a Gentleman.* ”
