“ Donna and Debbie, Sorry that I can not be there to see you in person today but I wanted you to know I am thinking and praying for your families at this time. Your mother was a gracious, Christian lady with God given talents for music which she shared with the many individuals and the community her entire life. Some of my fondest memories of growing up as a young boy were the summers with my gradparents and part of that was going to Bakers Chapel every Sunday. Of course the big part of that I remember was Ms. Evelyn playing the piano and my grandfather leading the singing. He always counted on her to help with the Sunday morning singing and when the "5th Sunday singings," came around. I know you will miss her but know that she is playing that piano today for a my grandfather and all others in heaven that want to keep on singing. God bless you and your families. “ Dear Donna & Debbie: There are so many wonderful things I will remember about your Mother: her beautiful smile; her kindness to others; her love of music; and her love for her family and friends. I loved her with all my heart, and I will never forget her. When I think of Evelyn's life, I am reminded of a beautiful poem... The tide recedes but leaves behind Bright sea shells on the sand The sun goes down but gentle warmth Still lingers on the land The music stops and yet it echoes on in sweet refrain For in every joy that passes, Something beautiful remains... Evelyn's beauty will forever remain in my life. All the things she taught me will enhance my life for years to come. All my love, and may God bless you. LFH##imported-begin##L.F.
