“ Mrs. Webster was a very sweet, thoughtful lady. She sent me the nicest thank you note, and a personal telephone call to thank me as well. It wasn't really necessary because all I did for her was be a friend to her daughter, who, when in the same situation would have done the same for me. But, then, she was a very sweet, lovely and gracious lady. My prayers and thoughts go out to the family.##imported-begin##Linda Wade##imported-end##

“ Aunt Evelyn always had a smile. She always was manicured and polished, always looked a fashion plate. Organized and thrifty, she had a green thumb too. Her flowers were absolutely gorgeous. Babette and Patti are tremendous ladies raised by Aunt Evelyn and Uncle Bill. Smart, beautiful, and talented, they are living testimonials to their rich heritage. Family was very important. So important that for every birthday she knew about, she never missed sending out a birthday card; most times the card was accompanied by a note. When I was newly married, she gave me lots suggestions and we talked very often as they lived in Glen Echo, MD at the time. I miss her, but knowing she is not in any more pain and in the loving arms of God and our many relatives who have gone before, gives me peace. Memories are wonderful things. Sometimes they are painful, but with time, they are very soothing. Uncle Bill, Babette, Patti, and all of your family, Take solace in knowing your loving wife, mother, grandmother, and great grandmother is watching over you as another one of your guardian angels. She lives on in your hearts and all of the love she shared has been shared through the generations. I love you all.##imported-begin##Betty Annette Fecteau Doyle##imported-end##
