Did you know my mother? I am her oldest daughter, have been looking for her and Lisa for the past year. My hubby had a heart attack, then metastatic cancer last year. Have been looking for Lisa and mom a long time. My number is +19035210428, home phone unchanged it's 903 842 3819. Trying hard to get ahold of family now. Thanks for befriending my mom.
