“ I count it a blessing to have worked and been friends with Austin and Dale and their families for 35 plus years. I've probably known Jesse and Wayne that long too. I don't think I ever met Ms. Evelyn but she had to have been a great woman based on the part of her family that I did know. I pray for all of you during this sad time. We all know that "joy comes in the morning" on the other side. May you find comfort and strength in your memories of her and in knowing that you'll see her again. She is full of joy today and will be waiting to welcome you home one day. May God bless you all. We love you.
