“ Donna and family, we are so saddened to hear of your mothers passing. It is so painful to lose a parent. I saw this poem today and thought of you. You are in our thoughts and prayers.

*A Letter from Heaven*

*When tomorrow starts without me, and I'm not here to see, If the sun should rise and find your eyes, filled with tears for me. I wish so much you wouldn't cry, the way you did today. while thinking of the many things we didn't get to say. I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too. When tomorrow starts without me, don't think we're far apart, for every time you think of me, I'm right there in your heart.*

*With Sympathy,  
Diane & Mark Sugg*

“ I am so sorry for your loss. Please know that you are not alone for the Bible tells us that “God is near to those that are broken at heart; And those who are crushed in spirit he saves “(Psalms 34:18). Take heart in the Scriptures for comfort. Please accept my sincere sympathy.

*Donna & Rick ,  
I am sorry to hear of the great loss of your Mom and also of your Dad and your brother Brian.  
My thoughts and prayers are w/you both in a loss of a parent and brother. May God always be in your hearts forever.  
As growing up, I remember especially my Dad and your Dad always went fishing together for the "fighting blues" that were biting. Also I enjoyed the time, i went to see your parents and a great time in playing golf on the course where they lived. So they all will be in my hearts forever.*
