“ *Farris Richardson was my boss when I worked for The Keenan Company as a property manager. He was extremely fair and supportive and I have wonderful memories of him from the years that I worked at Senate Plaza. We've been out of touch and I am no longer in property management, so my husband and I were so sad to learn of his death. Farris was a very caring person with a great sense of humor and the staff at Senate Plaza just loved him. Our deepest sympathy is with Farris' son and his family.##imported-begin##Julie Riffle##imported-end##*
