“ Hi Jeannie - My Aunt Zelk (Zella) and I want to say how sorry we are that you lost your mom. Aunt Zelk had related to me at LENGTH the morning a couple of weeks ago where she and Fay listened to the Sunday morning music. She said Fay wouldn't talk, but she would squeeze her hand and touch foreheads and "she communicated with me." Aunt Zelk noted how much fun Fay had listening to the music! I remember how your mom walked the entire length of the station four hallway - back and FORTH - after seeing my aunt get out of her chair and walk. You said, "she's still going!" We want you to know that Fay mattered to both of us - and so do you. I know I won't see you now when I go out and visit Aunt Zelk, so this message will have to do. God bless. “ I am sorry for your loss. The bible tells us that one day God will end sickness and death (Revelation 21:3,4). Through my study of the bible I have also come to appreciate the resurrection. Scriptures such as Isaiah 26:19 and John 5:28,29 tell of a resurrection. We can place our confidence in the resurrection because Acts 17:31 tells us that God furnishes a guarantee to all in that he resurrected him the dead. “Him” is Jesus Christ. Also because Hebrews 6:18 lets us know that it is impossible for God to lie. It is my hope that you are strengthened by these thoughts. May you read them from your own copy of the bible, meditate on them and gain faith in seeing your loved one again by means of the resurrection.##imported-begin##T Alston##imported-end##
