We told her about the fish there you feed and she had to go there to see it for her self and she enjoyed watching and feeding the fish there. Taken 8 years plus ago. This picture here portrays her one of a kind smile and a spark in her eyes! ❤️*

I am her grand daughter in law but she loved me as her own . I am blessed the time we have spent with her and our son David her great grand son had with her. “ I first met Mrs Fay at the Conway walmart. I knew her first as one of my spunky, funny witted customers. Then I found out that one of my co workers & now one of my best friends was the wife of her grandson Martin. I loved seeing her each time she came in the store. She always had a story to tell and she sure didn't mind to share her opinion! I was able to visit her one time in recent years and seeing her was indeed a blessing. She will be missed by many! Fly high, Ms Fay!
