“ Dear Cindy and family,  
Just letting you know you are in my thoughts and prayers. Steve and I were out of town with Emily, Anthony and Caroline and did not get home until late yesterday afternoon, so we were not able to attend the services for your Mother. I know the last few years have been a struggle for her and for all of you but I know Mrs. Faye knew how much her family cherished her!

Love, Llola

“ *My favorite memory is when I was little picking on Aunt Faye with those fuzzy catapillars.She was so scared of them, she would holler at me when I would run up to her with one in my hand,and like a child I thought it was so funny. She always treated me like one of her own children.We had a closeness I wil cherish forever.*
