“ Flora Mae Booth family

Just wanted you to know how much we will miss Flora Mae. She was definitely one of a kind and loved her family so much. We have prayed for each other for years and shared all our problems. We could always count on her to lift us up in prayer. Your loss is heaven's gain. She suffered so much these last few years but always depending on God for her strength. We will never forget her. She was a great classmate at church and friend. Our thoughts and prayers go out to you all. Gene & Linda Madlock

“ *I have so many memories of all the Booth family. Starting with the day that we found out that we were getting some neighbors. Our house was the first one on the now named, Terri Drive. Back then nothing in that area was name. We lived at the end of a muddy boggie dirt road. Then came the new neighbors who moved just a little past us. From that time on they were a huge part of our lives. Just like family. Brenda has always been a close friend to all of us. Kenny has been like one of my own boys. He grew up hanging out with the Brown's. To all the family, we love you. Will be praying for you. Find peace in the fact that your Mama, Grandma, is with the other family that went on before her. Park was there to meet his "Jug Head" as he loved to call her. Love you all, Brenda and Jack Brown*
