“ I don't ever remembering call her Florence, it was always Fluffy! I close my eyes and I can hear her laugh, which was infectious. Fluffy was such a kind-hearted person and growing up with her and Kathy was part of a great memory for me and will be one. The Knapp family was part of my family. Our moms were friends and was always there for her. I am truly saddened that Fluff has gone but I will cherish the memories of Polk Street they were shared together. Rest well Fluff, love you.

60 plus years that seem like a minute. Laughter and tears, good times and bad we have seen it all in the lifetime of our friendship. Even when we didn't see one another we were always in touch and now it's come to an end. You will be missed Fluffy but now you are where you belong, with your Joe, and I hope you are at peace. My condolences to Kathy, Jackie, Joe and her grandchildren. She loved you all so very much. Until we meet again, love Carol
