“ We were so sorry to read today about Floyd's passing. He was a true leader in his performance as Plant Manager at Federal Mogul. I worked with him for several years and I must say of all of the places and people I have worked for I have never had anyone I respected more than him. He was a true friend, Helen you can think back many years and remember all the times we enjoyed sharing time with you both. You were wonderful friends and Willie and I both loved you so much. Please send Marla and Carla our love and know that you have always had a special place in our hearts. .

“ Sympathy to the Cross family. I met Mr. Cross in 1975 while he was the plant Manager of Federal Mogul. I must say he was a dynamic manager and people person. Rethea B. Lemmon

“ *I met all of Art Cross's (Darol's Brother) immediate family except for Darol before Art and I married. Art continuously told me good things about Darol and how much Art respected him prior to me meeting him. When I met him and got to know Darol I found out all those good things his brother Art felt about Darol were true...Darol was always available to talk us though problems or just to talk about some new decision that had to be made. He never judged just prayed and showed his love. There is one really fun part of Darol's life that only a few of us will probably remember. In the years 1959/1960/1961/62 most Saturdays during the summer months, Darol, his brothers Steve and Art raced their souped up everyday cars on the Fremont and Half Moon Bay California drag strips. They competed against each other part of the time but they had a good time doing it. Never disrespected each other. That's a fun time that I think about a lot.. We all had a lot of fun together doing that time in our early years. There are to many good times to mention but there were a lot of them...Darol was loved and will certainly be missed. He is with his heavenly Father now and enjoying the peace of Heaven. Love you Darol..*

“ *My, Uncle Darol, was a kind, wonderful man. He was the true depiction of a Southern Gentleman. One of my favorite memories of my Uncle was a trip that my mom, dad, and I took to SC when I was 16. Uncle Darol took us out on his boat and I went water skiing in a lake near their home. It wasn't until I was getting back into the boat that he told me there were snapping turtles in that water....HAHAHAHA!! He was so much fun to be around. There was always a lot of laughter in the room when our families got together. There were a lot of miles between our families, but he, my Aunt, and my cousins always felt close in my heart. He is with his Heavenly Father, we will see him again.*
