“ Mr. and Mrs. Rogers. I want to send my condolences. When Fred told me that yesterday, I went into tears. As I was walking away, I remembered that my son Robert and him were friends back in grade school. I know it sounds like along time ago, but when he said that it brought back memories, because I do also remember Forest! He will always be there in your heart and he will be with you in the love you gave him! If I can do anything for you all, I will, please tell me! I did not know this happen and it is in my prayers. May the Lord be with you all! A Beautiful Son from Beautiful a Beautiful Family! <3

“ Continued prayers for you all. That beautiful smile will be greatly missed. Mom shared a memory with me today of when Forrest was still a life guard at OL. He had come to visit Dylan and they were on the porch of the 'big house' as they call it. His swimming trunks were wet so he didn't want to come in and get anything wet. So they went on the porch to visit and probably come up with some crazy scheme to do. Forrest decided he was gonna sit on the rail. Mamaw- mom came out and about had a heart attack. She said Forrest get you tail down from there before you fall and I have to beat you. lol. He did and looked at her with that smile of his and said sorry mamaw then hugged her. She said it wasn't anything major or big, but it left a memory she will never forget. As Forrest did with everyone he knew. I know she probably won't be able to see ya'll but she wants ya'll to know she loves ya'll and has been praying right along with everyone else since we heard. We love you all so much. “ *So sorry for your loss. I meet Forrest at CFHS where I worked as an aide in the classrooms. He was a very bright young man, with a great sense of humor and smile. We would sit and talk about hunting when we had time. He will be missed.*

“ *To the Rogers family:
I taught Forrest a few years ago at CFHS. He was in my math class. By the 2nd week of classes he knew how to make me smile no matter what. He always came in with a smile and always left with a smile. His personality could light up any room. He was always respectful. He would often bring me hunting pictures because he knew that I didn't care for hunting. He quickly became "one of my children". I will miss him dearly and think of him often. You all are in my thoughts and prayers.*

“ Susan, Many years ago when I was doing my student teaching at CFE school, Forest was in one of the art classes. He was so polite and talented in that class! You, Harry and your loved ones have been in my prayers and will continue to be in the days ahead. I will 'babysit' my grands so Leslie can be near you this coming Monday.
