“ *I sent a message to Carol. I hope that it went through. Bo was a very good friend all through the years as we went through school. We went to Winthrop together when we graduated from high school. She was indeed a very intelligent and motivated person. I will miss the opportunities to visit with her more. My prayers are with all the family.*

“ Shannon and Sonny,I was saddened to hear of your mom's passing.We had many interesting and fun times those seven years we worked together at Conway Elementary.She was so funny with her witty comments and could put things in there right place with some of her one liners.I also called and chatted with her several times after your dad died and tried to encourage her as we both had to continue living with the grief of losing a loved one! I will have you two in my thoughts and prayers and I am so sorry for your loss!

“ Shannon and Sonny,
Bo was a beautiful lady inside and out, and I shall miss her pearls of wisdom she often shared. I am out of town and cannot physically be with you now, but my thoughts and prayers are with you now and in the coming weeks. May our loving God wrap you in His arms and comfort you.

“ I will always remember how special your mother was to me. She was my Sunday School teacher and made a great impression on my life with her teachings and with the example of how she lived her life. I am so sorry for your loss, but heaven has received a new "sweet" angel.
