“ Sandra and Bill, We are so saddened to learn of Bonnie's passing. Ninety five is a long life and I often marvel at the changes in the world she witnessed. Not sure what your plans are for a memorial here if any but let us know if there is one. Our thoughts and prayers are with you and your families. “ Sandra, Billy, Keith and Kevin. What a great life this inspiring woman lived. I'm so glad I visited her a couple of weeks ago and we talked about her memories of the first lightbulb and the "surry with the fringe on top"! She really did it her way and I'm so blessed that I knew her as well as I did. She will be truly missed. Fran##imported-begin##Fran Rogers##imported-end##
