“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ So sorry for your loss. I did not know her and never met her but I was there when her son called to tell his wife that she had died. Just seeing how up set Sabrina was told me volumes about Frances. When a daughter-in-law has that kind of love for her husband's mother you know that the mother was a special person. God bless all of you.
