“ *To the family of Frances Fowler:
She was such a delightful lady. My husband and I got to know her best through the retired ministers luncheon group in Charleston. She even had us to her apartment once after lunch. We are very thankful for the privilege of calling Frances our friend. Please accept our deepest sympathy In the loss of your beloved family member.

“ I am very sorry to learn about Frances, but I know heaven has a new angel. She was such a "Southern Lady" in her looks and actions, devoted to her family and walked with God. May you find peace in remembering the good things and smiles she brought.

“ Am so sorry to hear of the death of my Sweet, beautiful and delightful first grade teacher! I have not heard from her or seen her in about 69 years! The year was about 1949. She was the prettiest, sweetest teacher I have ever had. There were about five of us first graders at Virgo School near Bucksville and Martin Hill section of Horry County. She was young and lively with dark hair that flipped up in a a half roll. She acted as if all of us were her special children. I will always cherish my first and second grade because of her. She was the best. My sincere sympathy go out to her families. She was so loved by her students and everyone. And most of all, God loved her.

“ Aunt Frances was a beautiful Lady inside and out. As soon as I married into the Family, in 1980, I was accepted with love by them both. She helped lead me into a mature relationship with JESUS CHRIST. I really came to know her as they visited Marian and my home in Hawaii in 1983. We had such a wonderful week with her and Uncle Barney. All through the years she has been a person of true beauty they, I'm sure, Debbie, Bonnie, and Foster are very proud of their Mother.

GOD has blessed her on earth and has now rewarded her with Eternal Life.

I Love You Aunt Frances,
