“ In 1998 or 1999 your mom and I shared an Oneg at Temple Emmanuel. We had never met before, so we decided to have dinner together prior to the service. She was delightful and so full of life. Through the years whenever our paths would cross, she was always such a cheerful and happy person. May her memory be a blessing.##imported-begin##Beth Crow##imported-end##

“ We first met Frances at Dr. King's office. We also spent an evening with her at a seder. A warm and caring person. May she rest in peace.##imported-begin##June & George Parness##imported-end##
