“ It has been said that GOD works in mysterious ways and Wonderous ways. Frances and I met for the second time when there was a void in both our lives. She told me once "who would have thought in my old age that GOD would send me a friend". By the second week it was as if we had known each other our whole life. Frances said i brought laughter into her life. She brought me so much more! I will miss our talks and little adventures and silliness. Frances is truly a Special and Beautiful lady. "twinkle Eyes" we will meet again. Until then, paint me the Heavens!! I shall love you always. Your friend Dorine.
