“ Dear Maureen, I will always remember Frank as a true friend and co-worker. Frank would always try to help others at work and was well liked in our department at IBM. I learned a lot from him during the years we worked together. Frank and I got along because we had a lot in common and enjoyed each others company. He was a true friend and I will miss him. Maureen, Take care of yourself and give our regards to all in your family. Dot and Ralph Giammarino##imported-begin##Ralph J Giammarino##imported-end##
