“ Francis was always smiling and full of fun. I remember visiting Aunt Grace and Uncle Harrison when we were all children and playing, running around the outside of the house, and being on the porch. Everyone always had a large front porch to sit on and visit with family. Those were good days and memories. He reminded me so much of his mother and the happy times with family. He will sincerely be missed. Denise Brown Lynch

“ Terri and Josh and extended family,  
I'm so sorry to hear about Francis. I grew up with Francis being in the same area all our lives, our families were very close and lots of visits from each other's homes were very often. I thought the birthday parade for Francis in the last couple of weeks was a wonderful idea. He looked so happy waving at everyone. Francis, sister Nancy and brother Andy were in charge of the State Branch Cemetery following their Father's death and did a marvelous job. We communicated often until our parents all past away. My sincere sympathy and God's blessings to all his family. My prayers go out to you Terri and son Josh during this special time

*Terri and Joshua- I'm so sorry for your loss. I remember going to to his house and hanging out with Jean and Francis. Even though we moved from the neighborhood and I didn't see him as much, I remember seeing him and all the family reunions. There will be a big hole left in the community*
