“ Dear Bob, Jeff, Tracy and Greg, I am so sorry that I had lost track of you after you moved to Conway. I tried for several years to get your address after my Xmas cards came back, but I was always unsuccessful. I have thought of all of you many times, and was so sad to read of Peg's passing. Peg touched my life in profound ways. She was truly a positive influence in both my personal and professional life. She was always full of integrity, energy and encouragement. She was a wonderful friend and role model for me when I needed one the most. I will always treasure my memories of her. I will keep you all in my prayers. Sincerely, with love, Lynne
