“ *Don't think of him as gone away  
his journey's just begun,  
life holds so many facets  
this earth is only one.  
Just think of him as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.  
Think how he must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.  
And think of him as living  
in the hearts of those he touched...  
for nothing loved is ever lost  
and he was loved so much.*

*Nothing in life is more painful than separation. Time passes, but the pain in our hearts and the tears in our eyes remains the same.*

*Another Angel has earned His wings - Dad, you are finally dancing with Mommy again.*
