“ Aunt Louise, Craig, Wade, Brad and Alex, Even though words cannot convey a great deal of comfort during these days that you are facing please let these few somehow warm your hearts. When I think of Uncle Jr. I never could call him Uncle Frank, I always remember his particular swaggering walk and his lovely whistle. He is the first person I can remember whistling. Even though the last several years were physically difficult for him as well as for all of the family who helped, reach back and think beyond that to a happier, healthier time. Although we rarely see you all, what a shame, we do love you and think about you as our family often. You are and will continue to be in our prayers and thoughts. Bob & Sylvia C.
