“ Ever since hearing the sad news on Tuesday there has been a feeling of emptiness in our hearts. Dee was a friend, co-worker, and the nicest guy you'll ever meet. Lew always enjoyed having a beer and his friendly conversations. Dee was someone you could tell your most personal stories to and he had an ear to listen. We'll miss that smiling face at the guardshack. Austin will miss seeing Mr. Dee around Pirateland. Words just can't express the sadness we feel this week. We love you Carol. Our thoughts and prayers go out to you and your family.##imported-begin##Lew and Pat Van Glahn##imported-end##

“ My thoughts and prayers are with you. Dee was one of the kindest people I have ever met. He helped me thru so many tough situations and he was always there with the warmest smiles. No matter how tired he might be - he was always there with a smile! I am going to miss that smile greatly and I am so glad that I got the opportunity to know him.##imported-begin##Andrea Hensley##imported-end##

“ Carol, I still can't believe our good friend is gone. From the very first day I met him we loved him! He was always like a second dad when I talked to him. He would listen to me and give me his advice. He always kept a smile on his face, and would stop and talk anytime we saw him. Pirateland won't ever be the same. I thought they had lost the best thing they ever had when they lost you in sales, but now they have really lost the best guard they ever had or will have. He will surely be missed. Our prayers are with you and your family. God has a purpose for this--just trust in him. We love you. Karen & Larry##imported-begin##Karen & Larry Hendrix##imported-end##

“ It is hard to put into words the loss everyone is feeling. Dee was a wonderful person. He was a friend to everyone he knew. He was so upbeat and positive. Most of all I will miss that wonderful smile. My thoughts and prayers are with Carol and his family. I can't even imagine the heartbreak they are feeling. I know Dee would want all of us to live life at its fullest. His memory will never fade.##imported-begin##Becky Jenkins##imported-end##
