“ I have known uncle Mike pretty much my whole life. There's was never a dull moment when he was around. He always had a good joke or something funny to say. We was a caring man that took everyone in as his own. I will surely miss him. God rest your beautiful soul uncle mike. <3

“ I met good Frank Mike what seems to me like yesterday. I was one of those many people he took in under his wing, and even though he covered it up with constant joking and his unique humor, he was one of the most humble people I've ever met. My favorite memory was him teaching me to play guitar. I'd master a chord, run out to show him, and then he'd show me how to play it better, or how to play the next one. I'll miss your laughs and smiles Mike.

“ *Mr. Mike was an amazing person. I am very blessed to have known him for the last 12 years. My favorite memory was when all of us went to Florida. We had a great time and I am forever grateful. I am so thankful he got to meet Jaxon, or Fort Jackson as he called him. He was like a dad to me. Ill never forget him. The world and Easler family have gained an amazing angel to watch over everyone. Hit a homerun up there and fly high. With so much love, Erin.*
