

Frank Gambeski

January 23, 2023

It is with great sadness that the family of Frank Gambeski announce his passing on January 23, 2023. He is survived by his loving wife of 59 years, Judy; daughters Jeanne Baumann and Susan (Mark) Travaglino; grandchildren Faith, Hailey, Dean, Troy and Ella; sister MaryJane (Jack) Dillon as well as other relatives, friends and neighbors.

After earning his Bachelor's and Master's degrees in education, Frank taught health and physical education in the South Orangetown School District. As well as teaching, he spent countless hours coaching children in various sports, with basketball being his passion.

In 1996 he retired and he and Judy moved to Pawleys Island, SC because of their love for golf, boating, the beach and sunny weather. Frank stayed active in the Tradition community. He was a member and took an active role in the Tradition Men's Club. He also played in a weekly Sunday group, the apostles, with Judy and other couples.

Frank was a devoted husband, father, and grandfather, known as Pop to all. He looked forward to visits from his kids and grandkids and instilled in them a love for golf, the beach, traveling, staying active and cheering for his favorite NY sports teams (Giants, Mets, Knicks, and Rangers).

Family and friends are welcome to attend a memorial service on February 11, 2023 at 2:00pm at Precious Blood of Christ Church. Memorial donations can be made in Frank's name to the Juvenile Diabetes Research foundation or St. Jude Children's Research Hospital.

*My deepest condolences to Frank's family.
Frank was a great teacher and coach at the Middle School.
He inspired many Middle School athletes in continuing with their participation in sports at Tappan Zee H.S..*

Rest In Peace,

We taught with Frank and were best friends with Frank, Judy and their children for many many years. Living now in Gettysburg, PA we always looked forward to our visits to Pawleys Island, where we could connect with them and share laughs and reminiscences. We love you all and will miss you tremendously. Art and Lorraine Edwards

My prayers are with the Gambeski family. I remember Frank ALWAYS taking the time to share his perspective on a student... he helped and believed I would make a difference! What a blessing to S. Orangetown Middle S.
