“ *My husband met Frank on a Carolina Skiff website. Of all the hundreds of people out there, Frank responded and came to see our boat, which was exactly like his. Frank joined us for ocean fishing and caught the first fish on our boat! We had much in common being from NY. As we got to know Frank, he proudly shared info about Wildlife Action, inc.. With Franks' teachings , my husband and I got our CWP and became proud gun owners. Frank really enjoyed teaching others especially the children. He will truly be missed.....RIP, Frank and Thank you....Love, Lesley and Mike Granito*
