“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ I am sorry for the loss of your dear Frank. During times like this our God gives each one of us a very real hope of actually enjoying life with our passed loved ones once again right here on this good earth. At John 5:28 and 29 Jesus himself tells us that those in the memorial tombs will hear his voice and come out to a resurrection of life, similar to how he resurrected his friend Lazarus. Lazarus was resurrected back to life on earth. That is in harmony with God's original purpose for humans, to "fill the earth and subdue it". (Genesis 1:28) God's original purpose for humans has not changed. To see our passed loved ones again on a beautified earth is a hope few dare to dream about, much less firmly believe in. This hope has helped me get through some tough times and I hope it helps you now. When some time has passed, feel free to visit [jw dot org](http://jw.org) for more comfort. Again, I am sorry for your loss. MN

“ Frank Rosario, one of the founders and a former Treasurer of the Seacoast Anglers Association, passed away August 27, 2014.

Frank was a very avid fisherman, fishing every chance he got. He loved to go Offshore as well as fishing in the creeks with his friends. He was a joy and fun to fish with. There are not very many anglers that get as excited as Frank would when he caught a fish!

He was a generous and active member to SAA, always the first to volunteer to help the club or any of it's members. He donated a substantial amount of money and effort to help get the club started in one way or another.

He supported and helped organize the Seacoast Anglers “HOOK a Kid on Fishing” program, again volunteering every time he was needed. Much of the equipment the SAA now owns was donated by Frank.

*An all-around good guy, he will be greatly missed.
