“ *I hold fond memories of Uncle Frank, like the time that he and Aunt Nancy showed us kids how to dance the Twist in the kitchen of their home. And during the summer when my brother Steve and I worked on the farm, one of my first lessons was that a Pepsi and Nab, which we enjoyed at break time, weren't free. I questioned the deduction on my first paycheck but as you might image, that didn't go anywhere. I'll always treasure those trips to the farm.*

*On behalf of the entire Elkins family, our thoughts and prayers are with Aunt Nancy, Debora, Karen and Frank Jr. and your family members.*

“*I have many memories of Mr. Frank bringing and sharing candy with our "Grands" to the recreational ballgames and always visiting with him at his "Grands" piano recitals. May your memories be a source of comfort during this most difficult time.*

*Deborah and Mrs. Nancy and family,  
I am so sorry about Mr. Frank. I had a very nice visit with him several weeks ago and we talked about growing peanuts. I always enjoyed talking with him. He came to see me when my mother passed away several years ago and I never forget that.  
God Bless all of you.
