“ *Man it hurts to hear of Frankie's passing! Frankie was one of a kind for sure! I was a driver helper back in 1997 and he was the first driver I helped. He actually put in a good word for me which actually landed me a job at the UPS customer counter in Myrtle Beach SC where I worked from 1997 until 2010! What an awesome man and a hard, hard working one at that! May he rest in peace!*
