“ Frankie was such a dear, sweet lady. When I first came to the Episcopal Church of the Resurrection in 1992 one of the first people I remember meeting was Frankie. She was an endearing person at the precious "little red church" in Surfside. Her wonderful smile and hugs were always welcome. Even after the church moved to its current location Frankie would always greet you with a smile, warm handshake.

It was our privilege to have known this wonderful person.

God's Peace to the family.

“ Frankie was one of the wonderful grief group of six or seven who meant so much to me when my husband died. In fact, I feel that she and that loving group got me through a really tough period. Frankie was so kind and understanding, and always had a smile that would brighten the room and let us know that with God's help, we would be okay.

Frankie did love life, and she she loved Jesus. She and I had long and wonderful talks, where I learned about her early life. she had a hard life as a child, but had great faith and always faced life with great optimism and love.

I loved her dearly . She will be greatly missed!

“ *What a precious lady. I loved her dearly, she was so sweet and kind to us. Always very interesting. I enjoyed our long visits on her porch where she showed me how to live with grace and the light of Christ in my life. She was so sharp, quick witted and funny. I miss her presence in church in my life. I know you are happy to be with your Lord having gone home. Bless your precious heart. You showed us all how to live.*

*I met Frankie in December. Of 2017 and in Jan. 2018 I got the privilege and honor to be one of her care givers. She blew me away as a person. First of all she was so gentle, generous, loving, funny, and loved her food. (Unusual for a 91 yr. Old). Her hugs were the best! I will miss her so much and never forget her smiles and friendliness. This world will be a lesser place without her. RIP dear Frankie
