“ *Calita, I just read of your mother's passing, and I wanted to let you know you and your family are in my prayers. Your mother was such an involved, fervent teacher who always had her students' concerns on her mind. Even more, she was one proud mother of all her children. If I was ever blessed to see her in past years, she would catch me up on your life and all the reasons she was so proud of you. The last time I saw her was at a function at her church. She was one of my role models in my early years of teaching. As she was also involved with many other organizations in the community, it was always interesting to talk to her. Maybe some time, you and I can catch up, too. Prayers will continues for you...*

“ So sorry to hear of Frankie’s passing... to her family I hope God will provide comfort as you grieve the loss of this precious lady. I had the honor to teach with Frankie for many years, and came to know her as a dear friend. She loved teaching, loved the children, and taught me so much in my early years of teaching. Frankie had a great personality and a delightful sense of humor! She talked often of her family and you could see in her eyes how proud she was of each one of you.

Frankie, I love you sweet friend but know you are in the arms of Jesus...

“ There will never be a friendship like that of the Maddox and Martin families on Orr Street in Anderson from 1941 until now! It is hard to say goodbye to someone who has literally known me all of my life - and treated me like her 'little sister' for every day of this friendship! What fun we had singing and playing together - all of our lives! The Christmas Eves and Christmas mornings - always spent together! Memories fill my heart! Thanks be to God for such a priceless treasure in this beautiful soul, our Frankie!
