Tribute Wall

“ *There will come a day when your tears of sorrow will softly flow into tears of remembrance... and your heart will begin to heal itself... and grieving will be interrupted by episodes of joy... and you will hear the whisper of hope. There will come a day when you will welcome the tears of remembrance... as a sunshower of the soul... a turning of the tide... a promise of peace. There will come a day when you will... go on believing... and treasure the tears of remembering. Thinking of you in your time of sorrow.
