“ Dear Leona, Missi & Mike- Words are not enough to express the sadness we feel and they certainly cannot really help to ease your sorrow right now. Please just know that you are very close in our hearts, our thoughts and our prayers. Pop meant the world to us and we will always cherish the memories of the times we spent together. He was not only the kind of man people wanted to be, he was the kind of man people would be proud to be. May your memories give you strength and may the love of those around you help you through the days ahead. With all our love â??
